How The Big College Teams Are Shaping Up

Preliminary Games Give Line on Capabilities of Grid-Iron Leaders

How the big mainland football teams are going may be seen from the summary below of games played a week and a half ago. Although the results in some cases may not be new, the comments on the kind of playing put up is most interesting.

Yale Has New Star.

NEW HAVEN, Conn. —Everybody at Yale was looking forward to the football debut of "Lefty" Flynn, for it was thought that he was quite a football player. Today Flynn made his bow to the public and played the best individual game seen at Yale since "Ted" Coy, and through his wonderful work Yale beat Syracuse 21 to 0.

To say that Flynn was the whole show would be putting it mildly. Flynn is a "Sheff" junior, and because he neglected to burn the midnight oil has been ineligible to don football togs. He has just fixed things up with the faculty and it is fortunate for Yale that he has. Flynn is six feet three inches, weighs 185 pounds and, say the students, makes a streak of lightning look slow. He made two touchdowns by beautiful running to-day and gave Philip a chance to make another, after a twenty-yard dash around the Syracuse right flank. "Lefty" also tore his way for fifty-five yards through the entire Syracuse team on a kick-off and played a remarkable defensive game.

In beating Syracuse handsily today Yale put herself right with a big crowd and there was no doubt the team had improved one hundred per cent as a result of a week's secret practice. Captain Spalding was out of the line-up on account of his poor condition.

Yale—Gallagher, left end; Talbot, left tackle; Conway, left guard; Keck, center; York, right guard; Warren, right tackle; Avery, right end; Corbin, quarterback; Markle, left half back; Flynn, right half back; Phillips, full back.

Syracuse—Allen, left end; Ludington, left tackle; Camp, left guard; Armstrong, center; Hillinger, right guard; Brown, right tackle; Whitaker, right end; Barber, quarterback; Smith, left half back; Castle, right half back; Probst, full back.

Tigers Improving Fast.

PRINCETON, N. J. —In a game replete with forward passing the Tigers today defeated the strong Lehigh team, 35 to 0. Princeton showed wonderful improvement over its first two games, holding its opponents safe at all times.

With the forwards giving good interference, the work of the Tiger backs was little short of sensational. Captain Pennington was the star of the game, making three of the Tiger's touchdowns. The last tally he scored on two successive end runs for thirty and twenty yards. The third touchdown he scored by taking two successive long forward passes from Andrews. On another occasion he caught a toss and placed the leather with a foot of Lehigh's goal, a shifty plunge by F. Trenkman scoring the tally. Lehigh threatened the Tiger goal

once, using the forward pass successfully in advancing from midfield to Princeton's 30-yard line. Three long tosses baffled the Tigers, and for a few minutes the Lehigh boys had them on the run. The rally ended when Hoban failed at a drop kick.

The Tiger forwards played well. Shenk and Logan, who were weak in the Rutgers and Stevens games, played in championship form. Wight and Andrews, the ends, took care of the flank well. Dunlap, who started at right end, not playing his usual game.

Andrews' accurate forward passing was a feature of the game. The stocky little end also did the Tiger's punting. DeWitt being laid up with "Charley" worse.

F. Trenkman, playing at full in DeWitt's place, scored the Tiger's first two touchdowns in short line plunges after Baker and Pendleton had rushed the ball to within striking distance of Lehigh's goal line. Pendleton then accounted for the other Tiger tallies in sensational style, making the game one of the most interesting of the minor contests seen on University Field in years.

Cornell's Showing Weak.

ITHACA, N. Y., Saturday. —Cornell was compelled to suffer humiliation for the second time this season today when the Oberlin team earned a well deserved victory this afternoon, by the score of 13 to 0. The Ithacans proved a tremendous disappointment to the big crowd of undergraduates, playing worse, if anything than they did last Saturday against Colgate. There was no fight in the Ithacans at all. The line failed to open any holes whatever, and Eyrich the veteran end, was a mark. Cornell tackled poorly, and for the first time this year fumbling developed. O'Connor, Fritz and Taber being the principal offenders. Added to this combination of poor playing was the ragged passing of McCutcheon and a general lack of alertness. O'Hearne, Bates and Hill were the only men to have any snap.

Victory For Army.

WEST POINT, N. Y., Saturday. —In its first game of the season the army defeated Stevens Institute today by a score of 27 to 0. The soldiers scored 7 points in the first half and 20 in the last. Hobbs and Hodgson each scored a touchdown and Wynne two. Devore kicked two goals and Prichard kicked one, missing the last one.

Chicago Beats Indiana.

CHICAGO, Saturday. —The University of Chicago triumphed over Indiana in the opening game of the "big nine" football season here today by a score of 13 to 0. It was Chicago's tenth victory over the Hoosiers in the eleven years the teams have met on the gridiron. Chicago's scores were the result of two touchdowns in the second period.

Carlisle Is Humbled.

WASHINGTON, Pa., Saturday. —James Thorpe, world's champion athlete, and ten other Indians from Carlisle were played to a standstill this afternoon by Washington and Jefferson, the game ending 6 to 0 after one of the greatest gridiron exhibitions ever seen here. The Indians played desperately to win in the third quarter, and they tore up the local defense until they lost the ball on the 1-yard line. In the final quarter Carlisle placed all its dependence on Thorpe to score. Three times he tried to boot the ball over the crossbar from placement once from the 27-yard line, once back at the 40-yard line and the third time on the 45-yard mark.

Coach Warner was deeply disappointed tonight. He said after the game that Washington and Jefferson broke up the Indian attack better than any team they had faced in two years.

Penn Defense Strong.

PHILADELPHIA, Pa., Saturday. —Pennsylvania defeated Dickinson today on Franklin field by the score of 16 to 0. Penn's goal never was threatened, but the stiff defense of their opponents kept them from scoring until the second half.

Pennsylvania gained ground easily in midfield, but creeping close to the goal line, the Dickinson defense stiffened wonderfully and advances were made under difficulty. Marshall kicked a goal from the field after having previously failed in a like attempt. The first touchdown was made with the margin of an inch or two on the final down. The last touchdown by Mercer came near the close of the game after Dickinson had been beaten down and was unable to oppose vigorously Pennsylvania's advances.

Dickinson's attack lacked the power to penetrate Penn's defense and only a few first downs were

English Tennis Team Which Will Soon Invade Australian Courts

SEEKING TO WIN THE DAVIS CUP, EMBLEMATIC OF THE WORLD'S TENNIS CHAMPIONSHIP, THE ENGLISH TEAM HAS GONE TO THE COLONIES. IT WILL TOUR NEW ZEALAND AFTER THE CUP MATCHES HAVE BEEN PLAYED IN AUSTRALIA. THE PLAYERS ABOVE ARE: 1—C. P. DIXON (CAPTAIN), 2—A. E. BEAMISH, 3—F. GORDON LOWE, AND 4—J. C. PARKER.

ENGLISH TENNIS PLAYERS PEEVED CHINESE OUT TO DEFEAT THE J. A. C.

NEW YORK, England's lawn tennis players are a trifle piqued toward the United States, according to a letter which was received from London within the last few days. This was largely the cause of the British Isles team for the Davis international challenge cup matches deciding to sail directly for Australia, instead of visiting this country and playing the final ties, as was done last year.

Charles J. Dixon is again the captain of the British Isles forces. It will be remembered that it was Dixon who found a lot of fault with the partisan applause and cheers of the crowd on the courts of the West Side Tennis Club last September. The noisy Americans ruffled the temper of Dixon to a considerable degree, and he made no secret of it at the time.

Arthur W. Gore, who was the captain of the first Davis cup team to visit this country, in 1909, is now one of the foremost figures in English lawn tennis. Upon his return to London in that year Gore filed with the English Lawn Tennis Association a report of the disastrous matches—the series was so overwhelmingly American that it was never finished—that was not at all flattering to the sportsmanship of this country. Dwight E. Davis, the donor of the trophy; Holcombe Ward and Malcolm De Whitman comprised the American defending team of that year. The high standing of these players caused the English association to practically apologize in a formal statement to the effect that there were no grounds for

the charges made by Gore. It is a noticeable fact that while Gore has since held the all-English championship, he has refrained from again visiting this country.

It is the opinion of several well informed as to the workings of English lawn tennis that the antagonism of the two players' names has had considerable to do with preventing the British team coming here this year. This and the strenuous efforts of the Australians to make certain the appearance of the British Isles team in the Antipodes, whether it met the United States or not, helped along the final decision and also that of this nation in defaulting its place in the international contest this year.

The team that will represent the British Isles is composed of C. P. Dixon, captain; A. E. Beamish, F. G. Lowe and John C. Parker, the challenge matches for the world-famous cup probably will be played the latter part of November.

It is understood that the Australian defenders are again to rely upon Norman E. Brookes, Rod Heath and A. W. Dunlop. The singles competitions are to be looked after by Brookes and Heath, while the doubles will bring out Bookes and Dunlop, whom even the English critics regard as invincible. The Britons pin their faith in returning the cup to England upon taking both matches from Heath and at least one of the singles from Brookes, which will give the necessary three points out of the series of five matches.

Honolulu lovers of clean athletics will be given another baseball treat on Saturday afternoon at Athletic Park. The main attraction of the day will be the game between the fast J. A. C.'s, champions of the first series in the Oahu Baseball League, and the ball tossers wearing the Chinese uniforms.

Captain Henry Chillingworth of the J. A. C.'s, in a little talk yesterday, said that his team would be able to hold its own against Sam Hop's Stars. This was the game that was first scheduled for last Saturday, but owing to the disapproval of the League management, the Hawaiians were selected to be slaughtered by Albert Aka's combination.

It was probably a good thing after all that the J. A. C.'s did not play last Saturday against the Chinese. As it is now, they are strengthened by the addition of a star twirler in Foster Robinson, the famous Maui player. "Tony" Medeiros will be kept in reserve to relieve Robinson if the Chinese batters should prove to be too mischievous. The J. A. C.'s will have any number of supporters, and the game should be an interesting one to watch.

If last Saturday's crowd was any criterion, a banner crowd of fans will

be out to see the fun on Saturday. The Chinese boys, with their mainland experience, are capable of some fast fielding. Now they are fighting among themselves for the batting honors.

This ought to make the game even more lively. At the present time, "Chief" Akana is leading. Because of his long three bagger at deep center last Saturday, he is now highly respected by the local pitchers. It was certainly a big day for "Chief," for out of five times at bat, he noded our four clean hits. "Shorty" Ayau, with his long bat secured at Detroit, made four hits out of six times at bat and is looked upon as a very dangerous man.

The Chinese boys sprang a new one on the handful of fans yesterday at Athletic Park. In spite of the muddy condition of the field due to the deluge of the past two days, Captain Akana's boys all turned out yesterday for practice. According to Sam Hop, the boys were "rain-proof" and are in earnest preparing for the coming fray. The only delinquent was the captain himself, who is still nursing a sore arm caused the Chinese say, by the wild blocking of David Desha and Third Baseman Franco at the game last Saturday.

From reports received, the seat sale at Hall & Son is going on nicely.

DUKE'S TOUR ENDS IN GLORY

Hilo was out in force to welcome the world's champion short distance swimmer when Duke and his party arrived there Sunday morning on the Claudine. The party was in charge of William Rawlins and consisted of Duke, Dude Miller, Kaupiko, Kaawa and Huiatua. A committee of the Hilo Board of Trade met them at the wharf, which took the party to the Hilo Hotel in a machine.

During Sunday afternoon the party was taken to the volcano by Keoloha and his Hawaiian friends, who also entertained them at luncheon the following afternoon. Duke's numerous medals and other trophies were brought along and these were displayed at the Hilo Emporium by Mr. Vicars, who provided an attractive setting for them.

The main event of the day was the exhibition race in the afternoon off the railroad wharf. The course was laid out in the morning and the start was made from a scow which had been placed at the disposal of the champion by D. E. Metzger, as well as a launch and crew. The weather for the occasion was not of the best, but nevertheless a surprisingly large crowd turned out and crowded the wharf and the nearby boats.

The first event was a relay race between the champion and three of the best fifty-yard swimmers in the Islands. This race was declared a dead heat by referee Rawlins. No time was taken. In the afternoon another exhibition was given by Duke in the Walluku river. Conditions were not as good here as the water was fresh and icy cold. A race was pulled off in which Duke swam across the river against a relay composed of Kaupiko and Kaawa. It was an impromptu affair without start or finish marks, but was intensely interesting as an exhibition.

The Duke party returned yesterday

FEATURES OF NEW FOOTBALL RULES SUMMARIZED FOR FANS

At the request of several football fans, the most important changes in the gridiron rules for this year are again given. They are as follows:

First—Playing field, now 110 yards in length, will be shortened to an even 100 yards.

Second—A zone of ten yards' width beyond the goal lines is established. Purpose of this is to provide ample space for execution of forward pass, which may be used as scoring means across line this season.

Third—The number of downs to gain ten yards is increased from three to four.

Fourth—Value of touchdown increased from five to six points. Goal from touchdown and other scores stand as at present.

Fifth—Twenty-yard zone, which hitherto governed use of forward pass is abolished. Pass may now be thrown any distance.

Sixth—After a touchdown the ball will be put in play from 20-yard line, instead of 25-yard line.

Seventh—Provision will be made that a bounding ball cannot score legitimate goal.

Eighth—Field judge is eliminated. The head linesman hereafter will keep time and judge off-side plays.

NEW WESTMINSTER, B. C., Oct. 5.—Piling up a total of 16 goals to the 7 scored by the Cornwall challengers, the New Westminster Salmon Bellies, for the fourth time in five years, won the championship of the world in lacrosse, the coveted Minto cup, in the second game of the series fought out at Queens park this afternoon.

The game was featured by the splendid uphill struggle of the Eastern team the last forty minutes of play, when they held the victors to even tallying and materially cut down a heavy lead.

M'KINLEY HIGH NAMES FIRST TEAM

Line-Up for Football Game on Saturday with Punahou is Announced

McKinley High School has an exceptionally fine football squad this year, even though the High lost several of last year's best players. The new men show an aptitude for the game and under the guidance of the old men and coaches they are nursing out a fine football machine. The interscholastic games this year are going to be hard-fought battles with the teams more evenly matched than they have been in former years.

McKinley's lineup, as announced by the captain, Henry Dyson, is as follows:

First team—Walter Grace, center; Joseph Silver, En Chol, David Kahalewal, guards; Henry Dyson (captain), Lewellyn Hart, William Rosehill, tackles; Daniel Stone, Jiro Morita, Leslie Hicks, ends; Harry Melin, quarterback; Lionel Brash, Sam Kahalewal, Shirley Bush, halfbacks; George Cassidy, fullback.

Second team—Vernon Harris, center; Elmer Crozier, William Gramburg, guards; Lloyd Arnold, Ed. Wong, tackles; Jimmie Holt, Al. Hiss, ends; Albers Bush, quarterback; Kio Fong, Campbell Crozier, halfbacks; Henry Yap, fullback; Fred Carter, substitute.

With such a list of players the team should do honor to the school, whether it wins or loses. They are going up against their old rival, Punahou on Saturday and the success of the school depends upon their efforts to a large extent. However, the school seems to have placed her confidence in the right men, for so far the team has shown up fine and the school hopes that both teams will be winning teams.

There may be slight changes in the teams above named, but this lineup is substantially correct.

CHERRIES AND SPLITTERS ROLL

Second Game of "Y" Bowling Series on Alleys Last Night

RESULTS LAST NIGHT.

	Won	Lost	Pct.
Cherries	3	0	1.000
Splitters	0	3	.000

The second game of the "Y" bowling league series was played last night at the alleys of the Y. M. C. A. between the Cherries and the Splitters, resulting in the defeat of the latter. As usual, low scores were bowled and the players will have to get used to the swiftness of the alleys before they can repeat the high scores that were bowled last season.

The Cherries took all three games from the Splitters last night and are now tied with the Breakers for first place in the league. For the winners, Swain bowled both high score (187) and average (166), and for the losers, Rietow had high score (170) and average (144). Following are the individual scores bowled last night:

	782	770	806	2858
Raseman	142	142	136	470

What healthy Nerves Mean to You.

A strong vigorous nervous system means health, strength and ability to endure hardship and able to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless, she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or triple duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is almost from the first day they are ready for a cure in the peculiar oriental properties of

Persian Nerve Essence

These wonderful little tablets contain no mercury or other injurious drug. They act like magic. The bright eye, the elastic step, the clear and active brain, the courage and strength and confidence they impart are noted almost from the first day they are taken. Don't delay, commence to-day, the preparation can be obtained from

One box of Persian Nerve Essence will do a great deal of good, the full course treatment of six boxes are guaranteed to make a permanent cure or the money will be refunded.

The proprietors, The Brown Export Co., 95-97 Liberty St., New York, N. Y., U. S. A. earnestly asks every sufferer to give Persian Nerve Essence a good fair trial at their risk. Don't delay, commence to-day, the preparation can be obtained from
